Dear Greg,

On behalf of the Montana Association of County Road Supervisors (MACRS), we would like to cordially invite you to our 27th Annual Convention. It is being held at the Red Lion Inn in Kalispell March 26th through the 29th. We have a great agenda set and hope you can attend.

We appreciate the relationship between MACo and MACRS that has grown over the years and feel all 56 counties have benefited from the information obtained at these gatherings.

Thanks again for your support and I hope to meet you in Kalispell.

Sincerely,

Tim R White
